

Hamilton Deed

Who are we?

Founded in 2005, Hamilton Deed has been providing top level and leading-edge consultancy services across the health, safety and environmental industries both at home in the UK and internationally for over 13 years.

What do we do?

We provide innovative and expert practical guidance and support to find the right solutions for your organisation. Our packages are tailor-made to fit your requirements and our consultants go over and above their brief to deliver achievable recommendations to

streamline systems and implement policies and procedures to promote industry best practise. We always work within agreed budgets and we often deliver well within expected time frames.

Why Hamilton Deed?

With a senior team drawn from the industries in which we work, we are uniquely positioned to be able to see the bigger picture from both the client's and our own consultancy's point of view. Experienced gained from acting as the Client in their previous business lives enables our experts to pre-empt what is required and deliver solutions in the fastest and most cost-effective way, while maintaining an integrity of standards which are second to none.

Hamilton Deed

Project

Benban: the world's largest solar farm.

Problems

Social and Environmental issues were observed as being poorly managed and investors were threatening to withdraw funding.

Challenges

- Language barriers
- Cultural issues
- Lack of knowledge of requirements
- Time constraints

Solution

- Hamilton Deed appointed by Alcazar Energy to deliver UK standards of expertise on the Social and Environmental issues on the 4 Alcazar plots
- Hamilton Deed provided 2 senior consultants to work on-site full-time
- Problem areas were identified and other HSE Managers on the project educated and mentored to enable them to meet their goals and targets

Results speak for themselves

"Hamilton Deed consultants have demonstrated the utmost professionalism in all areas that they delivered, completed within the time frame and with a 100% safety record. Budgets were met and the work delivered exceeded our expectations in terms of quality and content. The support provided has been invaluable and I look forward to expanding our relationship with Hamilton Deed to include other areas of our business."

Vito Saluto - Quality, Health, Safety and Environmental Manager, Alcazar Energy
